Vision

To be an exemplary provider of quality accommodation services among institutions of higher learning in Kenya and beyond.

Mission

The mission of the Accommodation Services Department is to provide quality accommodation services that meet and exceed customer expectations.

Core Values

Our core values include the following:

Integrity
Equity
Quality
innovativeness

For efficient delivery of services, the following are the hostel rules and regulations that must be adhered to strictly:

ROOM ALLOCATION AND CLEARANCE

1. The University reserves the right of room allocation.
2. A room is allocated for one academic year. At the end of the year one has to apply for another allocation.
3. Any student with less than four units in any semester will not be accommodated in the University hostels.
4. Once allocated a room, the allocattee will not be allowed to transfer or swop except on medical or such other approved special grounds.

5. No refund will be given after payment. Any overpaid money will be carried forward or transferred to tuition.

6. Students shall be expected to share rooms, in addition to other facilities of common use e.g. wardrobes and reading tables. Those who refuse to share common facilities will lose their residence for the rest of their stay in the University.

7. Every student is expected to sign an inventory form accepting responsibility of the condition of the room on allocation.

8. Students should clear from the hostel by signing out with the housekeeper at the end of the semester. A student who fails to clear and leaves their room locked will be surcharged Kshs.2500/= to cover opportunity costs. In addition, the room will be broken into to access the facility and any extra expenses incurred will be charged to the student.

9. No student will be allowed to remain on the campus as a resident during any part of the vacation without written permission from the University. Where such permission is granted the student is expected to pay for his/her room in advance.

SELLING AND BUYING OF ROOMS

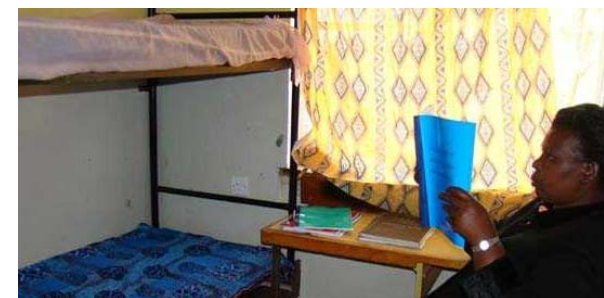

10. Students involved in selling and also those involved in buying the rooms will be fined K.shs. 10,000 each and be expelled from the room immediately. They will not be allocated a room whatsoever in the University until they have completed their studies.

USE OF THE FACILITIES IN THE ROOMS

11. Misuse and destruction of property in the hostels by a student or a group of students will constitute a serious offence, and the students or group of students involved in such an act will be charged for any damage caused.

12. Students will be responsible for the security of their property. The University will not be held responsible for the loss or damage to students' property while in the halls of residence. Students are supposed to lock their rooms with a good padlock at all times and carry the key with them while on session

13. Cooking is not allowed in the rooms. It is not only risky to students but also to University property. Any losses or breakages will be surcharged accordingly.

14. Students found having made illegal electrical connections with the intention of tapping power will lose their residential status and be surcharged accordingly.

15. Removal of furniture and equipment from students' rooms or any other part of the hostel, without permission from the head of the department concerned, is forbidden. It will lead to loss of residence for one academic year.

16. It is a serious offence for any student whilst in residence to organize or participate in any demonstrations or ceremonies for which permission has not been granted.

17. There should be no undue noise in students' rooms and common rooms at any time as it disturbs students who want
