

INTERNSHIP OPPORTUNITY

Intellectap, a part of the Aavishkaar Group, is a pioneer in building enabling ecosystems and channeling capital to create and nurture a sustainable & equitable society. Founded in 2002, Intellectap works across critical sectors like Agriculture, Livelihoods, Climate Change, Clean Energy, Financial Services, Gender & Inclusion, Healthcare, Water, and Sanitation, and has delivered over 500 global engagements across 40+ countries and syndicated investments of over USD 500 Million in Capital. Intellectap through its presence in Asia and Africa provides a broad range of Consulting, Research, and Investment Banking Services, to Multilateral Agencies, Development Finance Institutions, Social Enterprises, Corporations, Investors, Policy Makers, and Donors. Our common action platform, Sankalp Forum, one of the largest global inclusive development platforms, brings together the ecosystem to shape the way markets work for delivering the SDGs 2030.

We work with:

- Social Enterprises and startups to help them achieve scale and faster integration with the mainstream through better business planning, market intelligence and process excellence
- Large businesses and corporations to help them engage better with the Bottom of the Pyramid markets
- Private foundations, multilateral and bilateral funders and investors to help them understand, strategize and design interventions for the inclusive business space

Please visit <https://www.intellectap.com/> to know more about us.

What we look for:

Whether it is a consulting expert, a research analyst, a finance prodigy, intern, or an investment banker, we seek to hire the best across the globe and provide them with a unique global ecosystem of learning, experience, and expertise. Our teams are diverse, entrepreneurial, and fun, comprising millennials and seasoned experts, who are passionate about changing the landscape of social change. The ability to serve the next 3 billion is an opportunity of immense promise, and we look at those who are entrepreneurial in their mindset, sharp in their thinking, and bring in deep sector expertise to deliver compelling work globally.
